A message from Mr. Jones

Dear Parents and Carers,

I can't believe this is our final newsletter of the year. It has been a busy week with an outstanding performance from our Year 5 & 6 in their production and also a wonderful trip to Wicksteed Park to celebrate the end of the year.

I'd like to thank the PTFA for fully funding the cost of our transportation to Wicksteed Park. We appreciate your support for the school.

Thank you for your continued support over the past year, I would personally like to thank all the staff, Governors, PTFA, families and children for a wonderful year.

Enjoy your summer holidays, we reopen to children on Thursday 3rd September.

Class News

Reception Class (Kestrel)

Wow, what a year it has been! The children have been amazing and should all be very proud of themselves.

We have had a wonderful couple of final weeks, enjoying watching Aladdin, playing in the garden, and sharing our favourite memories from the year.

This week, we enjoyed a very special picnic with our parents. The children performed so well, and we had lots of fun playing games and enjoying our delicious cakes together.

We hope you all have a wonderful summer break. Thank you for all of your support throughout the year. We know the children will continue to shine and be amazing in Year One.

Year 1/2 (Falcon)

This week in Year 1 & 2 we have enjoyed:

- Learning about capacity in Maths. We have been measuring in ml and l and then solving problems that involve reading different scales. We have also had a look at temperature and how to read a thermometer.
- Writing our own version of Toys in Space and publishing this into our own mini books. We have made small changes to the story and then worked really hard to add detail to our new versions.
- Learning about the NHS's history. We have found out when the NHS was founded and how it is paid for by taxes. We spent time exploring photos from different time periods to see how hospitals have changed.
- Creating some end of year art. We have been reflecting on how our year has gone and what we have achieved this year. We have enjoyed making our own mini books and records of achievement.
- Finishing our Spanish unit on Anita and Osito by writing a storyboard of the story using the English and the Spanish. We have all enjoyed our Spanish units this year especially the songs!

The children have all had a wonderful week this week. A fabulous end to a fabulous year. We have been so proud of how hard all of the children have worked this year and the amazing progress they have made. Thank you for all the support from home this year and we hope everyone has a lovely, relaxing Summer break!

Class News

Year 3/4 (Redkite)

This week in Red Kite Class, we have been working hard in our maths solving problems. We have been practicing the skills learnt throughout the year and applying them in different contexts. The children loved challenging themselves and some even wanted to stay in at playtime to finish a question.

We were really excited to finish our DT unit this half term. We made chocolate bark and the children loved eating it all.

We have spent time completing lots of our units of work this week, completing Geography, RE and PE. The children have loved learning about Campania in Italy and they have really impressed me with their work on Pentecost. We were really lucky to finish our week at Wicksteed park. We had a great day and the children behaved wonderfully all day! We have had a great year this year. Have a great summer!

Year 5/6 (Golden Eagle)

The children have had a great last couple of weeks in school. We have really enjoyed finishing off our swimming and cricket lessons and I have been so proud of what we have achieved.

We finished our RE unit by summarising why Hindus believe that everyone should be good and the children produced some lovely, well thought out work. In computing with Mrs Marshall the class all worked hard to finish their e-books.

The vast majority of the last two weeks however had been finishing off and perfecting our production which culminated in the most amazing shows on Wednesday. I couldn't be prouder of all of the children and the effort they put in. They were all amazing!!!

Have the best summer and good luck to all of the y6 children moving onto secondary school. You will definitely be missed around Stanion!
