

Stanion CE (Aided) Primary School

E-Safety Agreement for Parents and Carers

Pupil Name (s) _____

As the parent or legal guardian of the above pupil(s), I grant permission for my daughter or son to have access to use the internet and other ICT facilities at school.

I know that my daughter or son has signed an e-safety agreement form and they know about the rules for responsible use of ICT.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent access to inappropriate materials. These steps include using a filtered service, restrict access to email through the learning platform, regularly reinforcing e-safety messages through teaching of e-safety skills to pupils.

I understand that the school can check my child's computer files and the internet sites they visit, and that if they have concerns about their e-safety or e-behaviour they will contact me.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns about my child's e-safety.

I understand that cyberbullying – like any other bullying- will not be tolerated. I will inform the school about any incidents.

I will not share photos or videos of other people's children online (e.g. on Facebook) unless their parents have given me permission.

Use of digital images – photography and video

I agree that images, video and sound recordings of my child/children, taken with their permission, may be used to enhance teaching and learning and to celebrate success. I am aware that pupils' full names will not be used.

These resources may be used in school, on the Learning Platform, on the school website and in other published materials that promote the school.
