

# Stanion C.E Primary - Sketch for Survival Art Exhibition

Dear Parents and Carers.

Our children will be taking part in an Art day inspired by Junior Sketch for Survival on Thursday 16<sup>th</sup> of June. The focus is on taking care of our planet and we will spend the day exploring drawing skills, creating landscapes from recycled materials and finally, creating a portrait of an endangered animal. Across the week, we will also be writing about ourselves and why we have chosen a particular animal to draw.

We would like to invite you to view all of the wonderful artwork on Friday 17<sup>th</sup> June. The school hall will be open from 3pm for you to view our gallery. We would welcome donations in support of the education of Ukrainian children. This charity has been selected by the Church Council.

All artwork will be sent home on the 15<sup>th</sup> July unless it has been selected to be shortlisted. If you would prefer for your child's work to **not** be entered into the competition then please do let the class teacher know.

**Junior Sketch for Survival** helps to raise vital awareness about species extinction and biodiversity loss while also raising funds for projects around the world.

The shortlisted artworks are displayed in London & Manchester (as well as other venues) where they are sold to raise funds for frontline conservation.

The winning artworks from each category are exhibited with our main Sketch for Survival Collection in London as well as being shown digitally in New York. They are auctioned in our annual online art auction.

Please see [Junior Sketch for Survival – Explorers Against Extinction](#) for more information about the competition.

We look forward to seeing you on the 17<sup>th</sup> June!

Mrs Leighton
