

Independent India

To be like India you need to show that you can do things for yourself, that might be getting yourself changed for P.E. without help, or it might be collecting your own learning resources.

Resilient Robin

Resilient Robin would be delighted to see you bouncing back from adversity, possibly by continuing to display your usual classroom enthusiasm despite receiving some negative marking, or facing difficulties with friendships or home life.

Perseverance Parker

You could be like Parker and demonstrate perseverance by continuing to practise a certain times table, despite finding it incredibly challenging, until you perfect it, rather than giving up.

Engagement Eric

To keep Eric happy, you must be seen to engage in classes. This could be demonstrated by asking questions or contributing to class discussions.

Enthusiastic Ember

If you're going to be like Enthusiastic Ember you will be enthusiastic about your learning in and out of school, sharing what you have learnt with everyone else.
