

Stanion C.E Primary School

Internet Safety Rules – Reception & Year 1/2

- We keep our personal information private when online. We don't tell people our full name, address or what school we go to. We don't send photos of ourselves online and we keep our passwords safe.
- We use the internet when we are with an adult. We know we have to be careful. We only go on sites our grown up has checked first.
- We are Stranger Aware. When we are online we only talk to people we know in real life.
- If we find a website/picture or video we don't like or we feel upset or worried online, we tell an adult we trust straight away.
- We are always polite and friendly in the real world and online.
