

British Values – Stanion C.E Primary School

Stanion Primary School is committed to playing a part in both the local community and the wider area. We recognise the multi-cultural, multi-faith nature of the United Kingdom and understand the crucial role our school plays in promoting these values and the part we play in preparing our children for the diversity of British life in the 21st Century.

Our key British Values are focused on:

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of Different Faiths and Beliefs

The grid below outlines how we actively promote British Values across our school.
